Bernkasteler alte Badstube am Doctorberg Riesling Spätlese Dr. Pauly-Bergweiler/Bernkastel-Kues - Germany

Terrior

The Doctorberg is the prime vineyard of Dr. Heidemanns-Bergweiler. It is only 4 acres in size and it is held to 100% in the hands of the family. The stony blue-grey clay slate is a residual soil having a very good heat-storing potential, which makes it possible to produce quality grapes for high-end wines. The high proportion of blue slate gives the wine a high content of minerals and finesse. Because of the partly more than 70year old vines the yield is very low.

Description

The Doctorberg Riesling Spätlese comes with yellow and ripe fruit like ripe pineapple, peach and apricot. The full-flavored taste of this Spätlese permits the epicure to envision the sweet and juicy Riesling berries of which this wine was made of.

Suggestion

This Riesling wine fits extraordinarily well to all kinds of menus, for dishes that either fine or hearty. Good with lobster and other shellfish.

Quality Level

Spätlese

Varietal

100 % Riesling

We say:

„The Doctorberg brings us the most powerful wines in our lineup. With the deep layer of decomposed slate and its old vines it gets the backbone that is needed for aging.”
