Dr. Heidemanns-Bergweiler Riesling Dr. Pauly-Bergweiler/Bernkastel-Kues - Germany

Territor

The Dr. Heidemanns-Bergweiler Estate has 12 ha (~30 acres) of Riesling vineyards in the steeply-sloped Middle-Mosel area. More than 75% of our vineyards are marked as „Steillage“. The vineyard soils are mostly Devon slate residual soils with varying parts of topsoil and mineral stone. The slate gives our wines a delicate and cool minerality which is typical for a Moselle Riesling. The combination of cool climate, slate and Riesling makes our wines unique.

Description

This Riesling embodies the elegant and racy style of classic Mosel Riesling. The fruit comes exclusively from traditional vineyards with steep slopes and slate soil. Long term contracts with local growers ensure that the excellent quality can be maintained in every vintage. It is meant to be an easy drinking, everyday wine with the right balance between sweetness and acidity.

Tasting notes

First impression is dominated by citrus and stone fruit. Orange zest and grapefruit accompany white peach. The palate starts with full and fruity flavors and ends with fine and crispy acidity, which clears the palate for the next sip.

We say:

“Take it easy!”
